Practical Tips and Demonstrations & Trial Skills Workshop

This year's session will feature short presentations, quick tips and demonstrations interspersed with workshop time where we will brainstorm, and attendees can try out some of the techniques in a low stress, small group, friendly environment.

Tim & Dan have led similar sessions in Ohio and across the country for a number of years and have never had an attendee regret participating; too the contrary, an overwhelming majority of attendees have described this as the best CLE session they ever attended, this coming from attendees who have been trying cases for 50 years to those who have yet to have a trial.

The atmosphere is causal, the dress code is casual and comfortable and the faculty is made up of lawyers from across the country who enjoy learning new things, trying to improve on what they already know and helping others to do so.

Don't Do Much DUI Defense? The skills taught and practiced in this session apply to all trials whether it be a DUI case, a criminal or a civil trial.

Faculty – National & Ohio speakers from Thursday & Friday plus invited guest instructors.
